設計概念

DESIGN CONCEPT

Kristopher Ho 以獨到的角度演繹出不一樣的夏日。作品以不同的灰色描繪出夏日色彩繽紛的氛圍，再用上粉紅色點綴夢幻的感覺。作品分為前景和背景兩部分，前景以捷豹、猩猩及鸚鵡三種熱帶動物帶出夏日的感覺；而背景則用上澳門及香港的市花—荷花及洋紫荊的花蕊，前景和背景互相重疊表達兩地的文化交流和創意的碰撞。

Kristopher Ho captures the vibes of summer by putting three tropical animals – the jaguar, chimpanzee and parrot in the foreground, with one animal overlapping another to create a dreamy flow of energy. In the background are the city flowers of Macau and Hong Kong, lotus and bauhinia, harmoniously merged together to represent the exchange of creativity and knowledge.
