HONG KONG WALLED VILLAGE
POON CHOI

遵从香港元朗围村的传统风味, 顶层铺满矜贵珍馐食材, 上层肉料的精华, 被底层的白切鸡、焖门鳝、焖猪肉、花枝、冬菇、萝卜、枝竹及猪皮等食材充分吸收, 愈吃愈入味!

A luxurious rendition of the original Poon Choi enjoyed by generations of Walled Villagers in Hong Kong. The umami-rich jus of the premium delicacies from the top layers is soaked up by an assortment of ingredients at the bottom—poached chicken, braised eel, braised pork, cuttlefish, Chinese mushrooms, white turnip, deep-fried bean curd sticks and pork rinds. The whole dish comes together in savory, sumptuous harmony.
