

PHỞ

THE CAFÉ HANOI SIGNATURE

Pho起源於河內，是一種傳統的越南湯粉，發音為“fuh”，被視為越南的國菜。有人說它可能是從法國燉牛肉（pot au feu）演變出來的，亦有人說可能是受到中菜的影響而出現。越南河粉的精髓在於清澈的金黃色牛骨湯。它會振奮你的精神，給你一個營養豐富的一天，讓你感到溫暖和滿足。

Originated in Hanoi, Pho is a traditional Vietnamese noodle soup pronounced as “fuh”. It is considered to be the national dish of Vietnam. Some say it may have been adopted from the French beef stew known as pot au feu, while others say it was influenced by Chinese cuisine. The heart and soul of pho is the clear golden beef bone broth. It will lift your spirits, give you a nutritious jump start and leave you feeling warm and content.
