GALAXY INTERNATIONAL CONVENTION CENTER

A NEW CHAPTER IN INTEGRATED RESORT DEVELOPMENT

Galaxy International Convention Center (GICC) is the latest addition to Galaxy Entertainment Group’s ever expanding integrated resort precinct and will usher in a new era for the MICE industry in Macau.

GICC — Asia’s most iconic and advanced MICE destination — is a world class event venue featuring 40,000 sqm of total flexible MICE space that can cater for up to 8,500 banquet guests, or cocktail parties for as many as 12,000 guests. The 10,000 sqm pillar less exhibition hall located on the ground floor, can accommodate up to 7,000 delegates. The exhibition hall is also perfectly suited for banquets of approximately 6,500 guests or cocktail parties for 8,500 guests.

Conveniently set within GICC, the 16,000-seat Galaxy Arena is the largest indoor arena in Macau and where spectacular events come to life – from world concert tours to thrilling fight nights. Our arena offers center-stage, end-stage or boxing ring set-ups, all of which are customizable for your event.

Andaz Macau, a vibrant lifestyle hotel rooted in local art and culture, is seamlessly connected to GICC and offers immersive experiences that are specifically tailored for both business and leisure travellers. Featuring more than 700 uniquely appointed rooms and suites, Andaz Macau is also home to an exciting selection of culinary options.

01 CONFERENCE

TRANSPORT YOUR GUESTS TO WHOLE NEW WORLDS

The ground level space offers nearly 4,000m² in conference mode with 9m ceiling height. It consists of 3 partitionable spaces which can be separated into 3 convention spaces. Each area is fitted with built-in infrastructure for audio-visual timeline. The space is also equipped with the most advanced programmable LED ceiling which offers different ambience for any genre of events.

02 EXHIBITION

FULLY FLEXIBLE FOR EVENTS OF ANY SCALE

There is 10,000m² of pillar-less space to accommodate up to 7,000 delegates and GICC is the perfect venue for a wide range of exhibitions. The space can be divided into multiple separate halls with highly soundproof partitions for smaller scale events. Set-up and logistics are also made simple and efficient with direct vehicle access for loading and unloading, easy access rigging grids, complete utility services (water, power and communications) via floor trenches and full catering support for each hall.

03 BANQUET

THE FINEST CULINARY AND SERVICE STANDARDS

From exclusive corporate dinners to gala banquets for up to 2,600 guests, everyone will be assured of the very best in service and culinary craftsmanship. GICC offers a diverse range of cuisines by world recognized chefs for both large banquets and smaller events. Guests will be in awe of the immersive high-definition digital screens that can transport them to any time or place for that very unique occasion.

04 GALAXY ARENA

THE PREMIER SPACE FOR WORLD-CLASS EVENTS

The 16,000-seat Galaxy Arena is the largest indoor arena in Macau and where spectacular events come to life — from world concert tours to thrilling fight nights. Our arena offers center-stage, end-stage or boxing ring set-ups, all of which are customizable for your event. With unobstructed views and high-definition broadcasting enabled by advanced technical infrastructure, every guest will enjoy amazing 360° views and high quality surround sound. The arena also features 8 Hospitality Suites for guests to relax and network in luxuriously private surrounds.

05 BALLROOM AND MEETING ROOMS

PERFECT SPACES FOR ANY OCCASION

In addition to its large function venues, GLICC has flexible combinations and generous networking spaces for hosting the world's most discerning corporate clients and conference delegates. 33 meeting rooms, capable of hosting over 3,500 guests is perfect for any special occasion. All meeting rooms have built-in state-of-the-art audio-visual technology, data channels and broadcast communications, providing everything you and your distinguished guests may require.

06 AUDITORIUM

A VERSATILE AND INTIMATE VENUE

Built to world-class standard, this 620-seat Auditorium is equipped with state-of-the-art audio-visual, sound and lighting systems and presentation system. Logistically, it has a fully motorized rigging system, easy access to service elevators and a fixed stage with floor loading of 5kN/m², designed to the world's highest performance standards. An excellent choice for keynote sessions, opening ceremonies, cultural and musical performances, and new product launches of the region.
